

Queering the Stage, Through Plays Monologues, a Road Map to Glbt History Heroes (1994 - 1997) (Paperback)

Filesize: 1.93 MB

Reviews

This type of pdf is every little thing and helped me searching forward and more. It can be written in easy words and phrases and never hard to understand. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about should you request me).

Fastpencil Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Welcome to my chronicle of LGBT history and heroes through theatrical storytelling. In these pages, you ll travel through time from the early 90s in New York City to Byzantium in 527 A.D. You ll become an ACT UP activist, a World War II veteran, and a country girl making peace with her lesbian feelings and her deceased, gay father. Also, this is a firsthand description of performing during the Queer 90s as a club kid in New York City. It documents the malling of Manhattan and the attempt at muzzling the performance artist. And moreover, this is a dare. I challenge you to follow my Shake Make Performance recipe and start QUEERING THE STAGE. Your voice and vision can empower and uplift us all. JACK-ATTACK! KUDOS FROM PRESS AND PEERS! THE NEW YORK TIMES, Dave Richards: Protests his demise. Punching. TIME OUT NEW YORK: Future so bright. TIME OUT LISBON: In your face performance. THE JERSEY JOURNAL, John Petrick: Shamblin gets his message out in bold and unconventional ways. If it s family entertainment you re looking for, see The Lion King. If it s cutting edge social commentary-often visually stunning-go downtown to KGB on East Fourth Street in Manhattan . . . A fierce stage personality. Obie Award Winning Director Anne Bogart: Agile in spirit, body and mind. Obie Award Winning Performance Artist Theodora Skipitares: Heroic. Tony Award Nominated Actress Jayne Atkinson: We need people like you in theatre. PUBLICO, Rui Ferreira de Sousa: High fantasy. Manipulator of chaos! A discovery intersecting the text and the body.
