Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

The exercises were brought to a close by singing From All That Dwell Below the Skies. Thus was Tufts fairly launched into the world of letters--her career begun simply and nobly, she was destined to steady advance. CHAPTER TWO--PRESIDENT BALLOU S ADMINISTRATION. Twenty-one young men entered the Freshman class, who, with six Sophomores and three Juniors, made a total of thirty students. The regular work was begun August 23, 1855, when President Ballou gave instruction in history and intellectual philosophy, Professor Marshall in mathematics and physical science, Professor Drew in ancient languages, and Professor Tweed in rhetoric, logic, and English literature. At this time only one course was offered, that leading to the degree of bachelor of arts, and nearly all the work was prescribed. The history course was the feature of the institution. At this time history was scarcely recognized as a college study, and under Dr. Ballou, a three-years course was offered in this department, which, at this time, was far superior to that of any other institution in America. The opening of the next year saw the first Senior class at Tufts. This year the department in modern languages was greatly increased by the appointment of Jerome Schneider, Ph.D., as an instructor. From this time until the death of Dr. Ballou, but few changes were made in the curriculum. In 1857 Professor Drew resigned his position, and Alpheus A. Keen, A. M., a graduate of Harvard, was appointed professor of ancient languages...
