THE PROBLEM OF UNBELIEF IN THE 16TH CENTURY (PAPERBACK)

Macat International Limited, United Kingdom, 2018. Paperback Condition: New. Language: English . Brand New Book. Febvre asked this core question in The Problem of Unbelief: Could sixteenth-century people hold religious views that were not those of official, Church-sanctioned Christianity, or could they simply not believe at all? The answer informed a wider debate on modern history, particularly modern French history. Did the religious attitudes of the Enlightenment and the twentieth century-notably secularism and atheism-first take root in the sixteenth century?...
