Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I was, perhaps, the plainest girl in the room that night. I was also the happiest-up to one o'clock. Then my whole world crumbled, or, at least, suffered an eclipse. Why and how, I am about to relate. I was not made for love. This I had often said to myself; very often of late. In figure I am too diminutive, in face far too unbeautiful, for me to cherish expectations of this nature. Indeed, love had never entered into my plan of life, as was evinced by the nurse's diploma I had just gained after three years of hard study and severe training. I was not made for love. But if I had been; had I been gifted with height, regularity of feature, or even with that eloquence of expression which redeems all defects save those which savor of deformity, I knew well whose eye I should have chosen to please, whose heart I should have felt proud to win.
