Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Ocean in view! O! The Joy! - William Clark, journal entry dated November 7, 1805 A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? In Charles River Editors American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. It is the most fabled and storied journey in American history. From 1804-1806, the first expedition across the North American continent was commissioned by President Thomas Jefferson, who had recently bought a vast swath of territory from France. Though he knew he had bought a huge amount of land, Jefferson wasn't entirely sure of what he had bought, so he asked a team led by Meriwether Lewis and William Clark to traverse the continent until they reached the Pacific, studying everything from the ecology to geography along the way to get an understanding of the country's new region. Lewis and Clark would find far more than they bargained for. The 33 men who made the trip came into contact with about two dozen Native American tribes, many of whom helped the men survive the journey, and along the way they met and were assisted by the famous Sacagawea, who would become one of the expedition's most famous participants. Though...
