Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Packages Access codes for Pearson's MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- This book is appropriate for courses in First-Year Experience, College Success, and Study Skills. The focus of Foundations for Learning is on academic adjustment with personal development issues seamlessly integrated into the academic emphasis theme of claiming an education and taking responsibility for one's own education. Foundations for Learning addresses both the attitudinal variables and personality traits that affect college achievement like locus of control, conceptions of intelligence, and intellectual curiosity in relation to specific study-related behaviors such as text annotation and active listening. At its core, this text is based on the psychology of adjustment. Students are pushed to consider how each mindset, perception, and attitude connects with their skill sets, and how one influences the other. The text encourages students...
