

How to Read and Why

Filesize: 9.17 MB

Reviews

The ebook is fantastic and great. It really is basic but unexpected situations within the fifty percent in the book. Its been written in an exceptionally basic way in fact it is only after i finished reading through this ebook by which actually modified me, modify the way in my opinion.

(Ms. Donna Parker MD)

HOW TO READ AND WHY

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, How to Read and Why, Harold Bloom, A new book by America's leading literary critic on the uses of deep reading. Practical, inspirational and learned, How to Read and Why is Bloom's manifesto for the preponderance of written culture. In the vastly influential *The Western Canon*, Harold Bloom outlined what we should read to understand a greater depth of the individual self. How to Read and Why continues the argument and focusses on how we use literature in order to gain deeper self-awareness. Poems, stories, novels, plays and parables are all analysed as forms of writing as immersion, the language of individuality and inwardness: Shakespeare's sonnets, the short stories of Hemingway and de Cervantes, the novels of Proust and Calvino, Sophocles's *Oedipus Rex* and Mark's Gospel. Harold Bloom also addresses the idea of why we read: increased individuality, respite from visual bombardment, a return to 'deep feeling' and 'deep thinking'. How to Read and Why is an essential book for any reader, an introduction to the world of written culture, an inspirational self-help book for students and teachers alike.
