Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

GIS FOR HEALTH CARE IN SUDAN

LAP Lambert Academic Publishing Jun 2012, 2012. Taschenbuch. Book Condition: Neu. 220x150x4 mm. This item is printed on demand - Print on Demand Neuware - The tremendous potential of GIS to benefit the health care industry is just now beginning to be realized. Both public and private sectors are developing innovative ways to harness the data integration and spatial visualization power of GIS. The type of companies and organizations adopting GIS span the health care spectrum- from public health departments and public health policies and research organizations to hospitals, medical centers and health insurance organizations. GIS plays a critical role in determining where and when to intervene, improving the quality of care, increasing accessibility of service, finding more cost effective delivery modes, and preserving patient confidentiality while satisfying the needs of the research community for data accessibility. 72 pp. Englisch.
