CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 234 pages. Dimensions: 11.0in. x 8.5in. x 0.6in. If you search for a car that can hold its own, when parked next to a Porsche 911 Cabrio, don't look any further. Because the SL R230 is regarded by many as the best looking SL that has left Stuttgart after the famous SL Gullwing. On top it is immense fun to drive, with powerful V8s and V12s to match the looks. Like the drivetrain they are almost bulletproof. Early cars suffered from quality problems that could spoil the fun factor somewhat. But all in all the R230 plays its GT role rather well, even with six-cylinder engines. And the AMG versions are true sports cars. This book can help you to find the right one, if the R230 interests you. It comes with a comprehensive buyers guide and explains the VIN and data card in great detail. Naturally it covers the development and history of the R230, but it also discusses the SBC, ABC and potential problems with the vario-roof. The guide ends with a detailed list of the cars technical specifications and the annual production history of each model. This item ships from La Vergne, TN. Paperback.
