Carina Press, 2017. Paperback. Condition: New. Language: English . Brand New Book. These are the cornerstones the six Men of Haven bleed by: taking what they want, always watching each other's backs, and loving the women they claim with unyielding tenderness and fierce passion. A self-made man with his fingers in a variety of successful businesses, Jace Kennedy lives for the challenge. From the start, he sees Vivienne Moore's hidden wild side and knows she's his perfect match, if only he can break it free. Earning this woman's trust is a task unlike any he's faced so far, but Jace didn't get where he is by giving up. Vivienne's determined to ditch the rough lifestyle she grew up in, even if that means hiding her true self behind a bland socialite veneer. Dragging her party-hound sister out of a club was not how she wanted to ring in the New Year, but Viv knows the drill. Get in, get her sister and get back to the safe, stable life she's built for herself as fast as humanly possible. But Viv's plans are derailed when she meets the club's seriously sexy owner. Jace is everything Vivienne swore she never wanted, but the more time she spends with him, the more she starts to see that he loves just as fiercely as he fights. He can walk society's walk and talk society's talk, but when he wants something, he finds a way to get it. He's proud of who he is and where he came from, and he'll be damned if he lets Vivienne go before showing her the safest place of all is in his arms.
