Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.By the author of the popular Cats Quilts coloring book, Santa s Cats is a Christmas coloring book that contains twenty four timeless, unique illustrations of cats and kittens getting into trouble, helping Santa and his elves as they prepare for the big day, and cuddling up with Jolly Old St Nick after an exhausting day in the workshop at the North Pole. Each picture is printed on one side of 60 lb pure white paper to minimize scoring and bleed-through, and appears in two sizes: large and half size (4 x6), both suitable for framing when complete. We suggest using crayons and high quality colored pencils for the best results. Beginners can create beautiful pictures using solid colors while more advanced colorists can use the line art as guides to add their own inspired shading and detail. Santa s Cats makes the perfect Christmas gift for yourself or for a special loved one.
