Duke, being at the Institute, should be able to give us some news in the future when we make our pilgrimages to the labs. The American Telegraph of Philadelphia is fortunate in having the services of Hazy Hayes on its engineering staff. I have no other address of his but Philadelphia; perhaps that is all that is required to reach him. The benedicts club has a new member from our course. Dr. and Mrs. Ralph R. Campbell announce the marriage of their daughter, Katherine Rankin, to Mr. George Dewey Goddard on Saturday, December the twenty third, Hartford, Connecticut. We congratulate and extend our best wishes to the Count for stepping off from the firm ground. The couple will be at home, 281 Lynn Shore Drive, Lynn, Massachusetts. Walkie Walke has a position with the local power company at Lowell, Mass. , which is a part of the Stone and Webster Company. Blomquist and Alden are also with Stone and Webster. One of the efficiency experts of the New Jersey Public Service Corporation appears to be Larry Coddling. He is located at the Essex Station at Newark. N. J. I regret that the notes for this issue are Bo brief. However, very little news was received and it will be necessary that they continue to be brief unless more letters are received. Several of the fellows have located in the larger cities and it would seem possible for someone of the group located in a particular city...
