Filesize: 9.17 MB

Reviews

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Kimberly Carroll)

America Star Books, United States, 2014. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1915 my grandfather borrowed money to purchase 20 acres of land. The amount was \$100 dollars. The local owner of the Store was also the lender of the money, he being Mr. J.B Rains. Paw Paw G. begin to clear the land for the purpose of growing food for his family which was about to increase at a rate of one per 12 to 15 months! Clearly, he and my Maw Maw G. had to do as most folks did, they got by the best way they could. Most essentials were purchased at the store, on credit (flour, corn meal, dried beans). Other things were swapped or traded for with a few peddlers, who hauled goods on mules or maybe a wagon out among family or neighbors like fresh eggs for thread and needles to patch or make clothes. There always a Quilting Bee! Paw rented a room, for he and Mawmaw to live, until he cleared the area and built where the old home still stands. Pawpaw traded standing timber for cut lumber at a saw mill, then folks would turn out for a roof raising. This was a type of you help me and I ll return a day s work for when those folks needed it.
