Veterans' Policies, Veterans' Politics: New Perspectives on Veterans in the Modern United States

By Stephen R. Ortiz

University Press of Florida. Paperback. Book Condition: new. BRAND NEW, Veterans' Policies, Veterans' Politics: New Perspectives on Veterans in the Modern United States, Stephen R. Ortiz, The study of military veterans and politics has been a growing topic of interest, but to date most research on the topic has remained isolated in specific, unconnected fields of inquiry. Veterans' Policies, Veterans' Politics is the first multidisciplinary, comprehensive examination of the American veteran experience. Stephen Ortiz has compiled some of the best work on the formation and impact of veterans' policies, the politics of veterans' issues, and veterans' political engagement over the course of the twentieth and twenty-first centuries in the United States. By examining the U.S. government's treatment of veterans vis-a-vis such topics as health care, disability, race, the GI Bill, and combat exposure, the contributors reveal how debates regarding veterans' policies inevitably turn into larger political battles over citizenship and the role of the federal government. With the conflicts in Afghanistan and Iraq now the longest military operations in U.S. history and the numbers of veterans returning from overseas deployment higher than they've been in a generation, this is a timely and necessary book.

Reviews

Very helpful to any or all category of men and women. It is definitely simplified but unexpected situations within the 50 % of your publication. I am very easily could possibly get a pleasure of reading a composed ebook.

-- **Dr. Therese Hartmann Sr.**

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
