WHITE LILIES: THE BEGINNING (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We were given: Two hands to hold. Two legs to walk. Two eyes to see. Two ears to listen. But why only one heart? Because the other was given to someone else. For us to find. Unknown Lily is left heart-broken and shattered after the death of her mother. Now she is moving in with a father she barely knows, with nightmares haunting her every breath. Finding out there are wolves in the world. that can turn human at will is a terrifying thought. With the help of the local Alpha she learns to let people in again, and to heal her shattered soul. She slowly learns that broken doesn't always mean weak, and sometimes you need the love of new found friends and self-formed family to heal the unseen wounds. Will she put her broken pieces back together with an Alpha's help? Or will she fall deeper into her own mind - burrowing in a hole she can't escape from? How can she become a part of a pack full of dominant wolves - when she has more humanity than them all? I think you are a little broke, but I think you will overcome it. I just sat there, not quite understanding what he was saying. Lily, we will take this slow, get to know each other. But you are mine, and I am yours, always. He said, softly taking my face in his hands and looking at me with heated eyes, Do you understand?.
