Prophetic messages from heavenly realms declare the definitive framework of spirituality and science for the future of mankind. The natural orders of man and God - DNA - time and space - consciousness and being - faith, love, truth, peace and light - spirituality and humanity - Jesus, Buddha, masters and saints - are reconciled for the edification and uplifting of all Creation through the Doctrines of Light and True Being. Future visions of the direction of Earth's evolution connect a revived consciousness of every man's innate divinity and the oneness of all things. From January 20, 2001 through January 22, 2002, Rob Dennard personally received and carefully transcribed all these divine declarations as a messenger of the blessing for all Creation.
