Sunstone Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fleeing his plush decaying world and a marriage gone stale, Drake Cavanaugh is badly injured while staging his own death. Found unconscious, he is carried to the tiny Hispanic village of Descanso, high and remote in the mountains of New Mexico. Here, in this forgotten pocket of God's overalls, begins his cure-physical, metaphysical, and intellectual. Here he becomes increasingly part of a strange world of saints and witches and ancient gods, of murder, mysticism, and miracles. And from here he eventually returns with a truth that is not what he sought. ***** Dorothy Cave spent much of her childhood exploring with her geologist father the isolated villages and mountains of northern New Mexico, a practice she continues today. Although her formal education was at Agnes Scott College and the Universities of Colorado and Wyoming, she feels her true education has come from these remote but rapidly vanishing hamlets and pueblos and from the soil-rooted wisdom of those who live in them. Cave has traveled widely, danced with the Atlanta Ballet, acted, and taught. She is the author of three histories: *Beyond Courage*, which won the New Mexico Presswomen's Zia Award, *Four Trails to Valor* and *God's Warrior*, as well as a novel, *Song on a Blue Guitar*, all from Sunstone Press.
