Anna Allen grew up in the Charleston Orphan House, but at eighteen, she must now leave. Her best option is to wed, and when a man from the Appalachian Mountains comes looking for a wife, she hesitantly agrees to marry him. However life with Elbert Ramsey and his father turns out to be miles from her dreams. In 1851, Levi West decides to go stay with his brother in the Appalachian Mountains. His parents had died, leaving the farm in debt, and a brazen woman had caused a rift between him and his best friend. Although his sister-in-law s younger sister acts almost as bad, Levi finds he loves the rugged mountains. When a hunting accident endangers his life, help comes from an unexpected source. Dare he hope for a family of his own or will another woman just disappoint him again?.
