Kensington Publishing, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. #1 New York Times bestselling author Fern Michaels weaves a powerful story of betrayal, courage, and starting over . . . From her silver Mercedes to her designer kitchen, Molly's life is gleaming and beautiful--at least on the surface. But no one in her exclusive neighborhood in Goldenhills, Massachusetts, knows what living with her demanding husband Tanner is really like. They know even less about the life she left behind in Florida almost two decades ago. Back then, Molly was Maddy Carmichael, living with her twin brother and neglectful mother in a run-down trailer park amid the orange groves of Florida. After the terrible events of her high school prom night, Molly fled north and reinvented herself. Now the veneer of Molly's polished existence is finally cracking--and Molly must find the strength to become the woman she once hoped to be. The triumphant theme of women like Molly finding justice will appeal to readers. --Booklist Secrets, revenge and personal redemption from bestseller Michaels. --Publishers Weekly.
