

Reckless: The Life and Times of Luis Ocaña (Paperback)

Filesize: 6.68 MB

Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest pdf for ever.
(Dr. Anya McKenzie)

Bloomsbury Publishing PLC, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Luis Ocana seemed doomed to live in the shadow of cycling's greatest ever rider, Eddy Merckx - `The Cannibal . Their rivalry defined Ocana's entire career, yet he was the one rider capable of beating the all-conquering Merckx in his prime. After an impoverished upbringing he flourished at the sport he loved and in 1970 secured his biggest victory on home soil, winning the Vuelta a Espana, and confirming his status as a Grand Tour challenger. But it was in the 1971 Tour de France that the battle between Merckx and Ocana reached its peak when, at the Orcieres-Merlette stage, he inflicted on Merckx the worst defeat he would suffer in a major Tour, with an astonishing 120 kilometre solo breakaway through the Alps. But then came one of most gut-wrenching crashes in Tour de France history when Ocana fell heavily on a Pyrenean descent, losing his leader's jersey, and with it his best chance of destroying Merckx's reputation of invincibility. In the midst of a torrential downpour, with minimal visibility, rider after rider crashed into the injured rider as he lay prone. The following day Merckx refused to wear the leader's jersey out of respect. It was only when Merckx was missing from the start-line in 1973 that Ocana became Spain's second ever Tour de France winner. If Merckx had been present, Ocana's chances of success would have been far slimmer. Further triumphs amassed before his swansong in 1976, but Ocana's decline in later life reflects the immense struggle he embraced during the height of his career. An enigmatic outsider to both the Spanish and French throughout his career - never truly accepted in either country...
