Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

(Dr. Bethany Lindgren)

RELIGION IN LEGAL THOUGHT AND PRACTICE

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2010. Paperback. Book Condition: New. 250 x 176 mm. Language: English Brand New Book ***** Print on Demand *****.This book examines moral issues in public and private life from a religious but not devotional perspective. Rather than seeking to prove that one belief system or moral stance is right, it undertakes to help readers more fully understand the effect of religious beliefs and practices on ways of conceiving and addressing moral questions, without having to accept or to reject any specific religious outlook. It shows how the similarities between religions and the differences within any one religion are more important than the reverse. The book asks * Where do moral imperatives come from, and how do the answers found in religion and law interact? * How does the fact that a moral norm is grounded in religion affect our thinking about it? * What is the significance of the differences (and similarities) between religious and secular sources of moral norms?.
