

Dutch and English on the Hudson (Paperback)

By Maud Wilder Goodwin

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dutch and English on the Hudson is a classic American history text by Maud Wilder Goodwin. Geography is the maker of history. The course of Dutch settlement in America was predetermined by a river which runs its length of a hundred and fifty miles from the mountains to the sea through the heart of a fertile country and which offers a natural highway for transportation of merchandise and for communication between colonies. No man, however, could foresee the development of the Empire State when, on that memorable September day in 1609, a small Dutch yacht named the Halve Maene or Half Moon, under the command of Captain Henry Hudson, slipped in past the low hook of sand in front of the Navesink Heights, and sounded her way to an anchorage in what is now the outer harbor of New York.
