Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Love is easy to find if we know where to look. Love is everywhere, in every color of the rainbow, given freely to us as children who share one beloved God. Love hold within itself an entire rainbow of love in seven colors, seven shades, seven variations, seven levels, seven physical lights within ourselves. This rainbow of love is within us and all around us at every given moment, if we are aware of it. Like all of life, love is all around us as well as within, requiring nothing more than awareness and appreciation. Each color loves us in its own unique and beautiful way. Red connects, orange observes, yellow inspires, green harmonizes, blue balances, indigo internalizes and violet is victorious. These are the energies within and around us all the time. If we ever need a little love, a little pick me up, we just turn to the rainbow within and see ourselves and our world in a new light.
