

Attractive Performances: Ancient Greek Dance. Three Preliminary Studies

By Frits Naerebout

J.J.C. Gieben, Uitgeverij. Hardback. Book Condition: new. BRAND NEW, Attractive Performances: Ancient Greek Dance. Three Preliminary Studies, Frits Naerebout, This book is not another history of the dance in ancient Greece, but wants to lay the groundwork on which such a history should properly be build. The three preliminary studies offered here are, first, an extensive historiography of the subject which seeks to illuminate where we stand at present in reference to the large amount of work done on ancient Greek dance for the past 500 years. Secondly, an exercise in source criticism, embracing both texts and imagery, in order to establish the limits to which we can push any investigation, and thirdly, an attempt at model building to provide an explicit theoretical framework for future research. This is the first time that some of the approaches of the new dance scholarship which has arisen during the past few decades have been systematically applied to the dancing of the ancient world.

Reviews

It is in a single of my personal favorite pdf. It really is written in basic words instead of hard to understand. Your daily life period will be transformed as soon as you complete looking over this pdf.

This type of publication is almost everything and helped me looking forward and much more. I am quite late in starting reading this one, but better than never. You won't really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
