Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Story of Goldilocks and the Three Bears with color illustrations. Goldilocks and the Three Bears and the older still The Story of the Three Bears are two variations of a 19th-century fairy tale. The original tale tells of an ugly, old woman who enters the forest home of three bachelor bears whilst they are away. She sits in their chairs, eats some of their porridge, and falls asleep in one of their beds. When the bears return and discover her, she starts up, jumps from the window, and is never seen again. The other major version brings Goldilocks to the tale (replacing the old woman), and an even later version retained Goldilocks, but has the three bachelor bears transformed into Papa, Mama, and Baby Bear. What was originally a fearsome oral tale became a cozy family story with only a hint of menace. The story has elicited various interpretations and has been adapted to film, opera, and other media. The Story of the Three Bears is one of the most popular fairy tales in the English language.
