

What Milo Saw

Filesize: 3.25 MB

Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

(Dr. Alberta Schmidt V)

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, What Milo Saw, Virginia Macgregor, A BIG story about a small boy who sees the world a little differently Milo curled his thumb and forefinger together to make a small hole and held his fingers up to Al's eyes. 'Look through here. That's what I see. Kind of, only worse.' 'Wow, that must be amazing.' Milo shrugged. 'Not really.' 'I mean, it makes you focus, doesn't it? I bet you see all kinds of stuff that other people miss.' Nine-year-old Milo Moon has retinitis pigmentosa: his eyes are slowly failing and he will eventually go blind. But for now he sees the world through a pin hole and notices things other people don't. When Milo's beloved gran succumbs to dementia and moves into a nursing home, Milo soon realises there's something wrong at the home. So with just Tripi, the nursing home's cook, and Hamlet, his pet pig, to help, Milo sets out on a mission to expose the nursing home and the sinister Nurse Thornhill. Insightful, wise and surprising, What Milo Saw is filled with big ideas and simple truths. Milo sees the world in a very special way and it will be impossible for you not to fall in love with him and then share his story with everyone you know.
