Reviews

A fresh electronic book with a new viewpoint. I was able to comprehend every thing using this written e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

COVERT REICH

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Young, homeless, pregnant minority women and their unborn infants are dying in the emergency rooms in East Los Angeles. When three pregnant, homeless women die within a week of one another inside the emergency room of County Hospital in East Los Angeles, Dr. Kelly Morales begins to question why and how. When Dr. Morales attempts to question her colleague pathologist Dr. Jake Hamilton he becomes agitated and obviously anxious at her questions. Hours later, Dr. Hamilton is murdered. A cryptic e-mail is sent to journalist Georgia (Gem) Michaels insisting she look into the brutal slaying of a San Diego County family in 2008 that was chalked up to The Mexican Cartel. The email also insists she keeps an eye on her neighbor. At first, Gem thinks the email is nothing but a joke, but her gut tells her that maybe checking out her handsome but odd neighbor is worth her time. Terrorized and brutalized chemist Dr. Ryan Homer is being held against his will. He knows that if he does not do the bidding of a group who call themselves The Brotherhood that the lives of his wife and children are at grave risk. In a race against good versus true evil, Dr. Kelly Morales, Gem Michaels, Dr. Ryan Homer, and Detective Tony Pazzini search to uncover the truth and expose it behind the deaths and murders that make up Project Covert Reich.
