Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Suzan s mind had nowhere else to escape her condition. Her life had suddenly come to an abrupt end at the age of 14. Instead of being surrounded by her family love, her friends and schoolteachers, Suzan found herself between a hard place and a rock. She had to get herself out of the puzzle to get hold of her farfetched dream of becoming a lawyer. A dream many of her peers had regarded as a mythological theory. Suzan however knew that if she gave herself completely and willingly to the fullness of desiring with her whole heart and with no fear of being rejected, her goal was going to be achieved. She wanted to see respect on the faces around her. She wanted others to see wisdom shining in her eyes. She wanted to see herself moving purposefully amongst her peers and colleagues. She wanted to see herself walking with confidence blazing an open path before her. For this, she needed massive and explosive energy to burst out her dreams into reality. To her, it was not going to be enough to be wistful, to yearn or hope. She wanted to strive to get what she yearned for! In the book, we meet Zandile, Suzan s mother who was so incredibly hindered by David s crazed infatuations to her, to see how much damage these sweet-nothings were doing to her family ties with Suzan. Because of this alienation, Benjie and Joe, the taxi rank commuters bedeviled by child-molesting characteristics of their own making, became a thorn in Suzan s flesh. Adding more salt and paper to her wounds is Jenifer and Saziso, her classroom enemies, who cannot...
