Each section of Latin reading is accompanied by comprehension questions to assist students on their first approach to the text, and discussion questions appear at intervals throughout the book. The introduction provides an overview of Caesar's life and works, information about the Roman army, and a glossary of figures of speech and rhetorical devices. Also included are introductions to the individual books, illustrations, maps, charts of Latin noun and verb forms, and a Latin to English vocabulary. The Student Companion Web Site, accessed at using a Student Web Code, features links that connect students to more information and resources related to Caesar's Gallic Wars.
