State University of New York Press, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In this volume, leading scholars in Asian and comparative philosophy take the work of Joel J. Kupperman as a point of departure to consider new perspectives on Confucian ethics. Kupperman is one of the few eminent Western philosophers to have integrated Asian philosophical traditions into his thought, developing a character-based ethics synthesizing Western, Chinese, and Indian philosophies. With their focus on Confucian ethics, contributors respond, expand, and engage in critical dialogue with Kupperman's views. Kupperman joins the conversation with responses and comments that conclude the volume.
