Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Icon Books Ltd, United Kingdom, 2013. Paperback. Condition: New. Judy Groves (illustrator). Compact ed. Language: English . Brand New Book. Compact INTRODUCING guide to Christianity's central figure. Christianity depends on the belief that the Jesus of history is identical with the Christ of faith, and that God in the person of Jesus intervened finally and decisively in human history. But is the historical Jesus the same as the Christian Saviour? And how did an obscure provincial religion based on the paradox of a crucified saviour conquer the Roman Empire and outlive it? INTRODUCING JESUS - A GRAPHIC GUIDE confronts the enigmas. It sets Jesus in the perspective of his time - within Judaism and its expectations of a Messiah, in the atmosphere of Greek philosophy and the Roman deification of emperors. It traces the development of Christianity from St. Paul and the Romanization of the Church, to modern liberation theology. This book is a lucid and exciting investigation that will appeal to all readers, whether Christian or not.
