The Effects of a Safe and
Orderly Environment on
Student Achievement
Why School Safety Matters Most

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Why School Safety Matters Most | This study examines relations between over 250 teacher perceptions of their school's safe and orderly environment and student achievement, among 10 better-performing, high-poverty schools in 1 Southern California elementary school district. The conclusions from this study agree with the body of effective schools research, which states schools cannot positively impact student learning without first working to maintain a safe and orderly environment. Implications of these findings...
