Brand New Book ***** Print on Demand *****.Although he was an officer in full uniform he was a youth in years, and he had the spirits of youth. Moreover, it was one of the finest apple trees he had ever seen and the apples hung everywhere, round, ripe and red, fairly asking to be taken and eaten. Dick Mason looked up at them longingly. They made him think of the orchards at home in his own state, and a touch of coolness in the air sharpened his appetite for them all the more. If you want em so badly, Dick, said Warner, why don t you climb the tree and get em? There s plenty for you and also for Pennington and me. I see. You re as anxious for apples as I am, and you wish me to gather em for you by making a strong appeal to my own desires. It s your clever New England way. We re forbidden to take anything from the people, but it won t hurt to keep a few apples from rotting on the ground. If you won t get em Pennington will. I understand you, George. You re trying to play Frank against me, while you keep yourself safe. You ll go far. Never mind. I ll gather apples for us all. He leaped up, caught the lowest bough, swung himself lightly into the fork, and then climbing a little higher, reached for the reddest and ripest apples, which he flung down in a bountiful supply.
