Outskirts Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Gang violence occurs in urban, suburban and rural areas across America. It is one of the leading underpinnings of criminal activity leading to incarceration both in youth and adult penal institutions in America. N.S.T.E.P., (Nine Steps to Empowerment Process) Gangology 101 is a non-traditional approach to gang violence prevention and intervention. The Process fosters trust, willing cooperation and enthusiasm in contemporary youth and adults, particularly those who are gang affiliated. It was created and founded in 2001 by Le Taxione, one with extensive and real life experience in the gang culture and the mentality which both causes and is the result of violent gang behavior. Based on his own elevation and reformation, he authored the companion text, Original Diamond Boy: Psychology of a Gang Banger, utilizing his own experience and in depth knowledge of gang life to illuminate the mentality, with the ultimate goal of making a positive difference in the lives of individuals involved in gangs . Together, the new paradigm included in the Gangology 101 curriculum and the companion text, Original Diamond Boy: Psychology of a Gang Banger provide a revolutionary solution for those caught up in the destructive aspects of gang activity. It offers an effective approach to identifying why our youth become involved in destructive gang behavior and then equips them with the knowledge to make beneficial personal choices and to help shape a healthier society in their own home communities. Le Taxione has built this work upon the belief that it is not incumbent on a gang member that he or she denounce their street organizations, but it is incumbent that he/she denounce the negative activity that erodes the moral fabric of our communities. His work...
