WestBow Press, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. This is a riveting story of redemption, and a journey to discover truth, love, and purpose. The author has graphically documented her need for healing from the effects of drugs, the occult, and New Age philosophy. She lived in Berkeley during the chaos of social rebellion and drug-induced insanity as a college dropout and former wife of a drug dealer. She also gives us a glimpse of life in the coastal community of Big Sur, where she was miraculously saved in 1972, and which she calls the land of her second birth. When I met Mary and John in 2004 on the mission field, I knew this story needed to be told. The union of a flower child and a warrior in marriage is sure to bring the most dramatic stories. But the beauty of this book comes from the heart of God who continued to prepare, refine, and work by revealing Himself throughout their story. You re going to love this one! -Andy Braner, author, speaker, teen advocate, but most of all a curious observer, discovering God s Beautiful universe.
