

Medgar Evers: Mississippi Martyr (Paperback)

Filesize: 7.65 MB

Reviews

This book is wonderful. It really is written in easy words and never difficult to understand. I am quickly able to get a satisfaction of reading a created ebook.

(Carley Huels)

MEDGAR EVERS: MISSISSIPPI MARTYR (PAPERBACK)

[DOWNLOAD](#)

University of Arkansas Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Civil rights activist Medgar Wiley Evers was well aware of the dangers he would face when he challenged the status quo in Mississippi in the 1950s and `60s, a place and time known for the brutal murders of Emmett Till, Reverend George Lee, Lamar Smith, and others. Nonetheless, Evers consistently investigated the rapes, murders, beatings, and lynchings of black Mississippians and reported the horrid incidents to a national audience, all the while organizing economic boycotts, sit-ins, and street protests in Jackson as the NAACP s first full-time Mississippi field secretary. He organized and participated in voting drives and nonviolent direct-action protests, joined lawsuits to overturn state-supported school segregation, and devoted himself to a career path that cost him his life. This biography of an important civil rights leader draws on personal interviews from Myrlie Evers-Williams (Evers s widow), his two remaining siblings, friends, grade-school-to-college schoolmates, and fellow activists to elucidate Evers as an individual, leader, husband, brother, and father. Extensive archival work in the Evers Papers, the NAACP Papers, oral history collections, FBI files, Citizen Council collections, and the Mississippi State Sovereignty Commission Papers, to list a few, provides a detailed account of Evers s NAACP work and a clearer understanding of the racist environment that ultimately led to his murder.
