## Fun and Games: Clockwork Carnival: Measuring Time (Paperback)

---

By Wendy Conklin

Teacher Created Materials, Inc, United States, 2017. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. Enjoy a fun day at the carnival while learning how to measure time! Students will build their literacy skills and math content knowledge while engaged in reading about magic shows, petting zoos, bumper cars, and funnel cake. This appropriately leveled math reader features problem solving and everyday connections that make learning data and measurement seem easy, relevant, and fun. Let's Explore Math sidebars and the extensive Problem Solving section provide ample opportunities for students to practice what they have learned. Text features such as a glossary, index, bold print, and a table of contents increase students understanding and build their academic vocabulary. The DOK-leveled Math Talk section includes questions that facilitate mathematical discourse and activities that students can respond to at home or school. With vibrant images, simple practice problems, and clear mathematical charts and diagrams, students will enjoy their time at the carnival. Learning how to measure time is fun and easy with this engaging grade 3 math reader!.
