When it comes to having a desire to see things change, it is obvious that most Christians are ready for it! The problem is that churches have tried every program available, and yet they still feel that there is something missing from their ministry. This book takes a fresh look at ministry and challenges us to consider that we may have actually left God out of the ministry equation, by not realizing how desperately we need for Gods Spirit to set us on fire! Take a journey through the Bible and discover for yourself, how Gods fire is present when God is on the move! Discover how Gods fire reveals his character as well as our calling to be transformed into the image of Christ! You will also discover how being one of Gods Fire Starters can be one of the most exciting adventures of anyones life! Donald A. Broadwater was born in Roanoke, Virginia and spent most of his early life growing up around the Blue Ridge Mountains. He graduated from Covenant College and Westminster Theological Seminary, and for the past three decades, Don and his family have been on an adventure that has taken them from America to Australia. He is married to Gloria and has two grown children from their 37-year marriage. God has unfolded a unique ministry of discipleship that has sought to encourage people to take their next step on a Journey in Jesus. This ministry is needed because our journeys are as unique as God who is fashioning them for us. He has also spoken for church camps and seminars, which have included the international conference, Fire on the Mountain, on Mt. Tambourine in Queensland, Australia. Contact him at www....
