WestBow Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book was birthed after seeing so many students come into my office day after day and tell me all kinds of horror stories about their home life. So this book is written to express the passion in my heart to bring forth a realization of God s Word and His standard of parenting, a standard that never fails if used according to the way it was written and established. I hope to express that God s Word is the only groundwork and foundation laid out for parents or caregivers to follow when raising children to be morally and righteously sound. Parenting is one of the most important roles that God designed for mankind, and it is time for us to take this role seriously. I want parents to know that Christian counseling is an essential tool that can be use to raise godly and biblically moral children. My ultimate desire is to educate, equip, and empower parents with the necessary tools to raise productive, educated, law-abiding, and God-fearing children. I would also like to leave the reader with the knowledge of how proper counseling and guidance can shape the emotional, physical, social, and spiritual nature of a child in a form that is pleasing to God.
