Cosimo Classics. Paperback. Condition: New. 108 pages. Dimensions: 8.8in. x 6.0in. x 0.5in. a selection from the TRANSLATORS PREFACE: The contents of this, as of the other volumes in the series, have been drawn from Schopenhauers Parerga, and amongst the various subjects dealt with in that famous collection of essays, Literature holds an important place. Nor can Schopenhauers opinions fail to be of special value when he treats of literary form and method. For, quite apart from his philosophical pretensions, he claims recognition as a great writer; he is, indeed, one of the best of the few really excellent prose-writers of whom Germany can boast. While he is thus particularly qualified to speak of Literature as an Art, he has also something to say upon those influences which, outside of his own merits, contribute so much to an authors success, and are so often undervalued when he obtains immediate popularity. Schopenhauers own sore experiences in the matter of reputation lend an interest to his remarks upon that subject, although it is too much to ask of human nature that he should approach it in any dispassionate spirit. In the following pages we have observations upon style by one who was a stylist in the best sense of the word, not affected, nor yet a phrasemonger; on thinking for oneself by a philosopher who never did anything else; on criticism by a writer who suffered much from the inability of others to understand him; on reputation by a candidate who, during the greater part of his life, deserved without obtaining it; and on genius by one who was incontestably of the privileged order himself. And whatever may be thought of some of his opinions on matters of detail on anonymity, for instance, or on the question whether good work is never done for...
