Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

OBSIDIAN MASK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The best-selling mafia series, by NYT Times bestselling author, Scarlett Dawn, continues with Obsidian Mask, where stakes are raised in passion and devotion--not just guns. Elizabeth Forter tamed the head of the Russian mafia, Daniil Kozar. Or so she thought. But the mafia has nothing on her parents--the preacher and anti-gun conspirator. The Lion Security team is thrown for a loop when Mr. and Mrs. Forter decided Key West is their next destination to save their daughter from her down-slide into the darker side. While Elizabeth is busy distracting her overbearing parents, her lover is watching her. Because she lied. And lying to the Russian mafia can only cause groundbreaking shenanigans. The sort of trouble Elizabeth isn't prepared for, ultimately tying her to the gun-waving killers. Perhaps Elizabeth and Daniil should have watched their backs, instead of each other. Two lovers can be blinded by their own wants. So what happens when the very air you breathe is poisonous? You put on a gas mask and pray.
