A6 2011d OCLC Number: (OCoLC)733048459 Subject: Energy development -- Law and legislation -- United States. Excerpt: . . . 15 private interests to explore alternative financing options. The Committee also supports continued cooperation with other agencies, including the Department of Energy, to develop improved technologies to better use this valuable domestic source of energy. Budget Criteria. - According to the Administration, the Corps budget request is a performance-based budget developed using objective performance criteria. Within the Investigations account, funding was allocated based on continuing the highest performing studies and design, but the Committee has been unable to ascertain what objective measures qualify a study as high-performing. Construction funds were allocated based on a mix of factors including severity of dam safety problems, benefit-to-cost ratio, risk-to-life index, Endangered Species Act compliance, and cost-effective restoration of a nationally or regionally significant aquatic ecosystem. Operation and Maintenance funds were allocated based on a mix of factors including tonnage movements, risk and consequences assessment, and visitation at recreation sites. It is entirely unclear, though, how...
