

The Bazaar of Bad Dreams : Stories

By Stephen King

Pocket Books Simon & Schuster US Aug 2016, 2016. Taschenbuch. Condition: Neu. Neuware - A master storyteller at his best-the O. Henry Prize winner Stephen King delivers a generous collection of stories, several of them brand-new, featuring revelatory autobiographical comments on when, why, and how he came to write (or rewrite) each story. Since his first collection, *Nightshift*, published thirty-five years ago, Stephen King has dazzled readers with his genius as a writer of short fiction. He introduces each with a passage about its origins or his motivations for writing it. 'Afterlife' is about a man who died of colon cancer and keeps reliving the same life, repeating his mistakes over and over again. Several stories feature characters at the end of life, revisiting their crimes and misdemeanors. Other stories address what happens when someone discovers that he has supernatural powers-the columnist who kills people by writing their obituaries...
