Granta Books. Paperback. Book Condition: new. BRAND NEW, Underlands: A Journey Through Britain's Lost Landscape, Ted Nield, Not so long ago, our roads, buildings, gravestones and monuments were built from local rock, our cities were powered by coal from Welsh mines, and our lamps were lit with paraffin from Scottish shale. We live among the remnants of those times but for the most part our mines are gone, our buildings are no longer local, and the flow of stone travels east to west. Spurred on by the erasure of history and industry, Ted Nield journeyed across this buried landscape: from the small Welsh village where his mining ancestors were born and died, to Swansea, Aberdeen, East Lothian, Surrey and Dorset. Nield unearths the veins of coal, stone, oil, rock and clay that make up the country beneath our feet, exploring what the loss of kinship between past and present means for Britain and the rest of the world today.
