2012 - The State of Fema: Leaning Forward: Go Big, Go Early, Go Fast, Be Smart (Paperback)

By U S Department of Homeland Security, Federal Emergency Management Agency

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Since 1979, FEMA has worked collaboratively with our federal partners; state, local, tribal, and territorial officials; the private sector; non-profit and faith-based groups; and the general public to meet our mission. Thanks to the efforts of the whole community, we stand united and prepared to effectively meet the needs of our citizens during times of crisis - when they are most in need. This document is intended to highlight FEMA's guiding principles, the ways we are actively engaged with the emergency management community today, and the work we hope to accomplish in the future. Being successful in emergency response means doing the homework and being equipped to respond to the largest scale disasters. It means being present early on the scene. It means operating swiftly, while also being smart. We at FEMA are doing that. And we're doing what it takes to do all of these things even better. In 2011, FEMA responded to more disasters than any year in its history. The variety and magnitude of each event tested our capabilities, as well as the capabilities...
