

Advances In Multi-photon Processes And Spectroscopy, Volume 3 (Hardback)

By -

World Scientific Publishing Co Pte Ltd, Singapore, 1987. Hardback. Condition: New. Language: English . Brand New Book. In view of the rapid growth in both experimental and theoretical studies of multiphoton processes and multiphoton spectroscopy of atoms, ions, and molecules in chemistry, physics, biology and material sciences, this series contains review papers exploring the growth. They are readable not only by active researchers in these areas but also by those who are not experts in the field but intend to enter the field.
