

Children S Shakespeare the

By Edith Nesbit

Chicago Review Press. Paperback. Condition: New. 117 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. As a writer, E. Nesbit understood that the stories are the least part of Shakespeare, but as a mother she also understood the need for simplicity. Envisioning this simplified introduction to works such as The Winters Tale, Romeo and Juliet, A Midsummer Nights Dream and The Taming of the Shrew -- eleven plays in all -- E. Nesbit set out to make them more accessible to young readers without sacrificing any essential elements. For if the stories were stripped of their wit and humor, of their emotion, the children would be no more entertained by them than by the indecipherable originals. In the end, under E. Nesbits gifted pen, these stories emerge with all the charm and grace of the very best fairy tales. Written in thoroughly modern English and each no more than ten pages in length, the eleven plays featured in this volume afford children the opportunity to discover for themselves the magic of Shakespeare. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
