

Topographical Bibliography of Ancient Egyptian Hieroglyphic Texts, Reliefs and Paintings. Volume I: The Theban Necropolis. Part I: Private Tombs: Second Edition, Revised and Augmented (Hardback)

By E. W. Burney, Jaromir Malek

Griffith Institute, United Kingdom, 1994. Hardback. Condition: New. 2nd Revised Amp; Augmented ed.. Language: English . Brand New Book. The volumes of this bibliography show the Egyptologist where to find published and unpublished records of ancient Egyptian monuments which remain in situ, those which have been removed but can be traced to a definite site, as well as those in museums and private collections where the provenance has been lost. Monuments are arranged geographically and there are indices, including kings, deities and private individuals, for each volume. The first two volumes contain the account of the temples and tombs at Thebes. The third volume deals with the monuments of Memphis, with its vast necropolis of pyramids and tombs; the fourth with Lower and Middle Egypt. The fifth and sixth volumes cover the sites and temples of Upper Egypt, and the seventh Nubia, the deserts and finds of Egyptian objects outside Egypt. Monuments of provenance not known are being presented systematically in the eighth volume, parts 1 and 2 of which list statues, and parts 3 and 4 stelae.

Reviews

The book is great and fantastic. Better then never, though i am quite late in start reading this one. I realized this publication from my dad and i advised this ebook to find out.

-- **Dr. Blair Mann**

Comprehensive manual for publication lovers. We have read through and so i am confident that i am going to going to read yet again once more down the road. I am easily could get a enjoyment of looking at a created pdf.
