B.R. Snow, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Either Ore and Casper Dupree, two of the best jewelry thieves to ever work the circuit, first meet during a chance encounter when they realize they re inadvertently robbing the same house. They meet for the second time three years later after Either has been released from prison and Casper has launched a fledgling career as an author of romance novels. And now Either has come up with the perfect way for them to pull off the ultimate road trip caper, as well as help Casper sell a few books in the process. Hitting the road in a leased Winnebago, Either and Casper embark on the next chapter in their career in crime as coconspirators of Casper Dupree s Endless Book Tour. Along the way they partner with Coco, a femme fatale with a penchant for classic noir and creative crime. They also manage to attract the attention of an FBI agent who has a history with Either and is determined to do everything in his power to make sure that the bad guys don t win. Either Ore further reinforces B.R. Snow s position as one of the funniest writers working today. Either Ore is the latest example of B.R. Snow s ability to produce great characters and write dialogue that pops off the page while keeping readers turning the pages to find out what happens next. But beyond the humor, Either Ore is a terrific narrative about friendship and choices and the consequences that follow.
