Greater Mysteries Publications, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.IN THE LIGHT of spiritual science, never before in the history of the world has there been such an assailment of supernatural evil upon humanity as extensive and intense as there exists at the present time. Subconsciously pouring into the human soul are the seductive whisperings of Luciferic beings and fallen angels; the perceptual distortions of Ahrimanic (Satanic) beings; the lurid, egocentric promptings of corrupt spirits of personality (asuras); and the violent inducements of blood-lust rising up from the subterranean beast of Revelation (Sorath the sun-demon). The tragic and bitter irony of all this, however, is that because of today s pervasive atheistic and secular culture and the materialistic worldview of natural science, individual human beings are correspondingly the most oblivious to supernatural evil than they have ever been at any other time in world history. To be sure, people today are certainly aware of the effects of supernatural evil - extensive and increased natural disasters; horrific instances of mass genocide; the prolific use of torture and brutality by government agencies; individual acts of sudden cruelty and murder; pathological selfishness throughout the world s business and financial markets; strange, globally-infectious viral contagions; the devaluation of human life through abortion and euthanasia; and a world-wide pandemic of dehumanizing drug addiction. What most people today fail to realize is that the invisible fomenting agents - the causes - of all these life-threatening, destructive physical events and pathologies are ultimately rooted in the impulses of supernatural evil. To be sure, mankind would have completely and totally succumbed to this tsunami of supernatural evil if it weren t for the protective and opposing intervention of powerful, benevolent celestial beings, such as St. Michael the Archai,...
